IT'S MY LIFE

DAY10

A Matter Of Life And Death

It was before
the collapse
of the
"Goddess
Sanctuary".

I met
Noah...
almost
three
years
ago, I
believe.

...That day,
when I went to
the sanctuary,
in front of the
crumbled
shrine...

That sanctuary was
located on holy
ground distanced
from the village,
and apart from the
tribe chief going
there for prayer
once every few
weeks, it was off
limits.

was her,
standing
there.

However... I
judged that
she was a
dangerous
existence,
and chose to
eliminate her.

...For a moment,
you really couldn't
see her as some
five year old kid...
She had dreadful
eyes that looked...
as if she
completely...
despised
everything
in the world.

...What...
am... I..?

Why...
am I all
alone...?

...Come.

She had just lost her mother. I... couldn't ignore her feelings of solitude.

In the ancestral language, it means "tranquility."

Your name will be...
"Noah."

The power that lies within her is too powerful and she can't control it.

But it's not because she didn't have any magical power.

Noah couldn't use magic.

And, possibly... it was that power that created those dreadful eyes.

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years if you love my relatives, please consider donating at firstcircle.com to support our livelihood. All proceeds go towards offsetting her medical fees. Thank you very much for reading!

A
sanctuary...
that
collapsed...?

...And
because of
that, I
ended up
neglecting
Noah...

The
sanctuary's
collapse
must have
something
to do with
her, too.

I made use
of the free
time during
my duties to
investigate it
as well.

What's up?
Did you
recall
something
...?

Come
to think
of it...

Ah...! That
damn Noah
she ate all
the sweets!

Er...? Why, at
this point in
time... Actually,
don't worry
about it...

No, I had
some tea
cakes
just now!
I'll go
fetch them!

I'm so sorry
that, I of all
people, forgot
to prepare
even a single
cup of tea for
my guest...!!
I'll prepare it
right now!

Noah...

Are you...
an
ordinary
kid...?
Or...?

Why...?

I only...
want to live
together
with you,
yet...

Why...

...She
can't
hear...
my
voice...

*Just
what...
meaning
is there...*

*in a
"life"
without
you...?*

...Say,

there's
no need
for the
happiness
that's
gained
after
crushing
one's
life.

Don't
you
think
so
too?

...Eek-

No
ooo
ooo
ooo
...!!

The awful
dream is
over. There's
nothing... to
be afraid of
anymore.

It's
okay. It
wasn't
real.

It looks
like you
had a
nightmare.

Oh...
Ohh...

is
over...

The
awful...
dream...

Big
Sis...

...You're just a
kid, aren't
'cha? You had
a nightmare
and are
crying and
scared to
such an
extent.

Noah... I'm
sorry... I...
up until
now, haven't
managed to
be a good
sister to
you... I'm
really
sorry...

I... love
you...
too, you
know....!

うううううう

Crying

Let's wipe
your nose
for now.

Yeah...
yeah.
Thank
you.

Big Ziiiiizz!!
I fuu... rove
Big Ziz...!! I...
rove you...!!

That...
human,
over
there.
Hey.

In spite of
everything,
as the Tribe
Chief, I
need to
punish you.

...Noah...

Ah!

Hmph...
...Thanks
for your
consideration...

Done
with the
recon-
ciliation
already?

Astra-
sama...!
You're...
not hurt!
What a
relief...!!

think
about
allowing
Noah to
stay
here...?

...What
do
you...

Ugh-

But,

とて、

I'm so sorry.

Hmm. Ever since she arrived, something happens every day, throwing the house into disorder and turning it into a mess.

Well then... Noah. Your punishment...

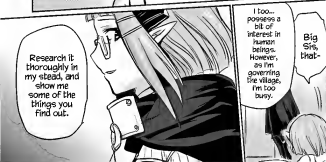

...I see.

thanks to her, I'm living a life free of boredom.

Eh....?

will be to live in this continent without causing him any trouble, and to broaden your observation of it.

Research it thoroughly in my stead, and show me some of the things you find out.

I too... possesses a bit of interest in human beings. However, as I'm governing the village, I'm too busy.

Big Sir, that-

...

Even though you've lived for only about 19 years, it's difficult standing above everyone, right?

if you...
live on disciplining yourself like that all the time, you'll eventually break.

...Thus...

I understand your feelings well since I've had a similar experience.

You have no idea who you can count on, and you end up driving yourself into solitude.

I'll prepare some tasty treats and entertain you.

Feel free to drop by every once in a while to hang out.

While you're here, you're just an ordinary 19-year-old girl who is Noah's Big Sis-san.

I suppose... I
can call you
"Elizabeth"?

Right... I'm
Astra L.
Doomsday.

...Come to
think of it,
we haven't
shared our
names yet.

...I'm truly
glad... that
you are the
one who
lives in this
house.

No...

*...Just
call me
Elise.*

...So she
can laugh in
a way that's
fitting for
her age,
huh?

...I'll
come
again,
Astra!

is
myste-
rious.

...That
house...

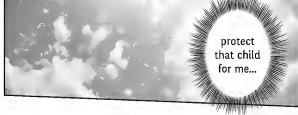

The house
getting hit by
my magic, yet
not having
major damage
as well as
Noah's speedy
recovery are
both because
of some
magical power
the house
possesses...

Abet
muscles, it's
been endowed
with a magical
power that's
along the same
wavelength as
my tribe's.

...Noah
ending up
at your
house...
probably
has some
meaning
to it.

Astra...

...It's okay if
it has nothing
to do with
the power
that lies
within that
kid, but...

protect
that child
for me...

The
Dragonite
Brothers
at that
time

Why are
there
chunks of
ice in the
middle of
the road...?

Two of
them - too

LIFE GOES ON-

Well, they'll
meet someone
or later

I
forgot to
change
them
back
